

# Faly & Clara - SPECIAL NEWS - South Africa 2012

What a privilege to be part of the big family!  
Rich or poor, black or white, red or yellow, protestant or charismatic has one goal, one God and one Father.

What is my place in this big family?

In Madagascar?  
I am a father  
In the region?  
I am a father in law.  
What????? No.....

“BE STILL”, that the message of Ian Muir, Grand father of Africa.

At the end of the conference, I really feel that **I am a father**. I have true stories to tell to the generation.

## 1<sup>st</sup> Family Ministry Forum in Southern Africa

We need strong family to get strong society and to have strong nation.

Both of us have a strong desire to do the Family Ministry School somewhere in the world. Let's start to pray and see where God wants us to go. We want Family Ministry School to come to our country.

## MADAGASCAR IS ON THE MAP

9/34 bases in Southern Africa are from Madagascar. 100/700 full time staff are Malagasy. 16/240 conference's participants are Malagasy. Praise God! The total amount of money The Malagasy Team spent was the same amount of money of the conference's expenditure. God is so faithful!

We know where we are and where we are going.

In 12 months, 5 new bases/ministries will be established and in 2020, there will be 26 around Madagascar. This is to fulfill Loren Cunningham's goal to have 1 base each for 1 million population. **Say Amen with us!**

Big thanks for those who supported to make this trip happened. Without you we could not make it. **THANK YOU VERY MUCH!**
